The Forebay Aquatic Center's day camp with a focus on boating and water education!

Campers learn to master crafts, including Kayaking, Orienteering, and Stand-up Paddle Boarding, in a safe and exciting environment. While at camp, campers will play games to learn about local wildlife, learn lifelong activities, and work on team-building skills. This year, special guests will be coming to teach the campers in-depth on a specific subject one day of the week! Fridays keep getting better with a brand-new water play structure for the campers! We are also bringing back Family Fun Fridays! Family Fun Friday will allow your campers to teach up to four family members what they learned that week, offering two hours of free rentals from 12:30-2:30! For questions, please email forebaycamps@featherrivercenter.org or call (530)774-7934.

All experience levels are welcome!
