

WE WANT TO HEAR FROM YOU!

You are invited to attend two community workshops to discuss the proposed housing, community space, and retail development planned to be built on public land at the intersection of Exposition and Crenshaw Boulevards! The project is in partnership with Metro and Los Angeles County and will be located above the future Metro Crenshaw / LAX station. The workshops are part of a public participation process, seeking input and feedback to help shape the future of the development. Please join us and let your voice be heard!
