## Committee Reports

**Small Business/Member Retention** - Budget, budget, budget. It's critical for your small business, but do you know the ins and outs of creating your budget? James Glennon, CPA, will be presenting budgeting goals and guidelines to the Elko Area Chamber of Commerce members on November 15, 2011. Please watch your inbox for follow-up e-mails on the time to be announced. The Small Business Committee is also gearing up for the member survey to be compiled and released later in November. Please take a few minutes to answer the questions. This is how we know what workshops and classes you are looking for. If you have any questions about the Small Business Committee or would like to join us please contact Molly Popp at [molly@7daydentalnevada.com](mailto:molly@7daydentalnevada.com).

**Ambassador Committee** - September Business After Hours was hosted by Shabonya Dutton State Farm Insurance; and it was a fantastic event with close to 100 people attending! The food was catered by Let Them Eat Cake Bakery and we are sure everyone would love to have her recipes. October's Business After Hours was spectacular! It was held at the Elko Convention Center and hosted by Liberty Mutual and the Boys & Girls Club. If you were not able to attend, a great time was had by all. The Ambassadors are having a wonderful time in our community and would like you to be a part of the fun! Please contact the Chamber or Cathy Hamre at [ambassadors@elkonevada.com](mailto:ambassadors@elkonevada.com) for more information.

**Government Affairs Committee** - The temperatures are falling, but things are heating up on the political front. As of the day this article was submitted, the Republican Primary will be on January 14th, though there may still be a change. Even so, that means there are only about 90 days before Nevada chooses a Republican candidate to challenge President Obama. So, whether you like it or not, get ready for political ads. While a number of candidates have protested the early Nevada Primary and may boycott the Primary, your GAC will do our best to notify you of any candidates that come through Elko. I will do my best to put notices on the GAC webpage at [http://elkonevada.com/index.php?option=com\\_docman&Itemid=110](http://elkonevada.com/index.php?option=com_docman&Itemid=110). As always, our meetings are open to the public and are held upstairs at Stockmen's at 12:00 noon on the Mondays preceding Elko City Council meetings. Come on over and sit in on one of the meetings. You may be surprised at what information you may get. If you are interested in joining the GAC e-mail distribution list, send an e-mail to [gac@elkonevada.com](mailto:gac@elkonevada.com). We hope that you and yours have a Happy Thanksgiving!

# Bright Path - 35th Annual Nurse's Bazaar

BrightPath Adult Enrichment Center is a social/medical adult day care program serving disabled or at-risk adults age 18 and up. We are located at the corner of Walnut Street and Sixth Streets in Elko, Nevada. We open our doors Monday through Friday at 6:30 a.m. and wave good-bye to our last member at 5:30 p.m. Between these hours we offer stimulating and enjoyable activities for each of our participants according to their needs, their likes and dislikes, and their capabilities while overseeing their health needs. Moreover, we offer you, the caregiver, a well-deserved break so that you can tend to all the other things on your list of "To Do's". Our team of professionals provided over 20,000 hours of care to our members during the past year. Unfortunately, our budget has increased by approximately 20% over last year, and grant sources have decreased dramatically over the last few years. Many of our members attend our program under a grant that includes a suggested family donation of \$3.00 to help offset our costs, however, not all members or their families are able to afford even this small donation. Nobody is ever denied care based on their ability to donate. 94% of our members attend at little or no cost—their services are paid for by grants, insurance and/or donations, and from the money we receive through our fundraising efforts. Our community donation program, Partners of the Heart, allows community members, and businesses, a way of donating to our program. We publish a bi-monthly newsletter that lists the various items that we need. We accept product donations as well as cash. If you would like to be added to our newsletter mailing list, please call us at 775-778-0547, and we will gladly add you! Our biggest fundraiser of the year is quickly approaching. The Nurse's Bazaar is a time-honored tradition for our community. For 34 years, vendors offering hand-made items fill the Elko Convention Center to sell their wares. This year, the 35th Annual BrightPath Nurses Christmas Bazaar is scheduled for Saturday, December 3rd from 9am to 5pm, and Sunday, December 4th from 9am to 3pm. We have many local crafters and artists, as well as many from Utah, Idaho, and Oregon. If you are an artist or crafter, and did not receive a vendor application, please call us at 775-778-0547, and we will get the information to you as soon as possible. We still have booths available, so please give us a call if you are interested in participating in BrightPath's biggest fundraiser of the year, the 35th Annual BrightPath Nurses Christmas Bazaar!

# 21st Annual Festival of Trees

The Elko Convention and Visitors Authority kicks off its holiday season November 28th – November 30th with the 21st Annual Festival of Trees. Each year, the ECVA asks the Elko Community to donate decorated Christmas trees, holiday wreaths, stockings, and gingerbread houses to be displayed and put up for silent auction with all proceeds going to local charities. The Festival of Trees is a themed event that changes from year to year with 2011's theme being "Unlock the Magic." In addition to the silent auction, this event also incorporates a tree lighting ceremony on November 28th and Family Night which features some of the local talent from the area's Schools and Dance Studios on November 29th. If you are interested in entering an item for the silent auction or would like additional information please contact the ECVA at (775) 738-4091 or visit their website at [www.ExploreElko.com](http://www.ExploreElko.com).

## Operation Santa

Operation Santa United States Marine Corps was started by a couple of moms in Oregon, in 2004. Within a few weeks, troop supporters joined the effort to sew Christmas stockings, shop for stocking stuffers, and organize community packing. In the first year, they sent more than 6,000 filled Christmas stockings to troops deployed in Iraq and Afghanistan. To date more than 100,000 filled holiday stockings have been shipped to deployed Marines and soldiers. It is a holiday outreach program for deployed US Marines and other troops.

This time of year can be difficult for our deployed service men and women. For some, this will be their first Thanksgiving and Christmas holiday spent away from home. For others, they have spent multiple holidays away from family and close friends. Terri Dillion and her family started Operation Santa-Nevada 8 years ago when their son was deployed to Iraq during the holidays. They did the organizing for 6 years. Terri was on the radio looking for someone to take over the program for Nevada. I thought this is a great program to keep going, it would be a shame if it stopped because no one volunteered, so I called her and volunteered to take over the program. I volunteered because I too had a daughter deployed to Iraq during the holidays and I remember how difficult it was for her and her companions to be away from home especially during the holidays. What does Operation Santa-Nevada do? We provide each adopted service man and woman a candy-filled Christmas stocking along with other goodies, all packed into a gallon-sized zip lock baggie. The individual unit is provided with a Christmas tree and decorations. Along with these Christmas-related items, additional hot chocolate, apple cider, candy, coffee, tea, socks, etc., are given to the unit. When possible, paperback books, magazines, hygiene product and such are also included. Most importantly is letters/cards written by students sent from their home country, the United States of America. This year several schools have volunteered their services towards Operation Santa-Nevada. They are Sage Elementary, Spring Creek Middle School, Spring Creek High School, Adobe Middle School, Flag View Intermediate School, Elko High School, and Owyhee High School. Local businesses are Barrick Gold of North America, American Red Cross, Stor-All, Carlin Post Office, and Spring Creek Fire Department. Some clubs are helping with donations are Spring Creek Ruby Mtn. Lions Club, Elko Lions Club, 4H ERO Club, and the POW-MIA. Carol Scott has helped with contacting business to set up donation boxes at their locations until November 4. On Nov. 5th the POW's will be loading the boxes in a truck to be disbursed among our service men and women. The following are the locations for donations: Elko Ruby Mt. Pawn, Gold Dust West, both Al Park Petroleum locations, Honks, Mt. City Dollar Store, Veteran's Services, Albertson's, Khoury's Market, and Kings. Operation Santa helps bring the community together to support our troops. For further information, or if you have a loved one that you would like to receive a Christmas Stocking, contact Lynette Vega at 397-1911 and the web site [www.marinecorpsfamilyfoundation.org/Santa.html](http://www.marinecorpsfamilyfoundation.org/Santa.html). It is for any branch of the military. Help make a difference to brighten a soldier's day.

## Around Town

Hello Members! I am amazed that the holiday season is creeping in on us already! As the weather gets increasingly colder many of us develop a bunker mentality-whether that means tightening up the budget or focusing on indoor activities. During my conversations with potential new members last month, I have encountered consistent hesitancy in regards to joining the Chamber before the holidays. The main reason is that November and December are “slow” times for many businesses. This thinking is counterintuitive because the best time to take advantage of Chamber benefits is during the holiday’s, as the Chamber is hustling and bustling referring our members and making sure all of our businesses get that boost they all need through the “slow” times! Did you know that one free insert in the newsletter is one of the newest member benefits? An insert is an entire page of advertising for you to do with as you wish. An insert can include coupons, information, and a variety of photos and information. We also offer free access to the Sherman Station Meeting Room during business hours. This means a place to hold a company lunch for the holidays! Our website is highly trafficked all year long, but during the holidays is an especially busy time. When you join the Chamber as a new member business we take a ribbon cutting photo which is displayed on our website for an entire month. This kind of exposure is hard to come by for the low cost at which we offer it! There are so many benefits to take advantage of that will be particularly advantageous from now until January. Why don’t you give me a call at 775-389-0037, and I’d be happy to go over everything with you! ~Faith

# American Red Cross - Real Heroes Awards

The Real Heroes among us reflects what is best in our community. They are ordinary people whose actions demonstrate the potential that is in all of us. As a community leader in emergency preparedness, prevention and response, the American Red Cross honors individuals whose extraordinary acts of courage and kindness make them real heroes. Each year local heroes are nominated in ten categories including: Adult Community, Animal, Education, Firefighter, Law Enforcement, Medical, Military, Unsung, Workplace Safety, and Youth. These Heroes will be honored at the Annual Real Heroes event on Friday, November 4, 2011 at the Red Lion Hotel and Casino. Tickets are \$35 per person for this plated event, with cocktails, at the no-host bar, beginning at 5:30pm and dinner to follow. This year's event is sponsored by, Barrick Gold of North America, Newmont Mining Corporation, Summit Air Ambulance, Red Lion Hotel and Casino, Nevada State Bank, General Moly, and NV Energy. All proceeds from the event will be used to provide emergency disaster relief to families and individuals who are displaced from their homes due to fire or other disasters. Real Heroes demonstrate selfless acts of courage and kindness. They simply live their lives in a way that shows they care for those around them. They give of themselves because they want to make a difference in someone's life or the community. Join us as we honor our local heroes. For more information about tickets, please contact your Local Red Cross office at (775) 753-9600.

## Spring Creek Fall Craft Festival

The Lamoille Woman's Club (LWC) will sponsor the 2-day Spring Creek Fall Craft Festival to be held on November 12th and 13th from 9:00 a.m. to 4:00 p.m. each day in the Special Events Room and gymnasium at Spring Creek High School. Formerly known as the LWC Chili Feed & Holiday Bazaar, the Fall Craft Festival will improve on the Club's previous format and will feature a wide variety of artists and arts and crafts vendors in a new setting and an expanded venue. As always, this LWC November event offers residents a chance to begin their Christmas shopping with an offering of unique gifts. This November's Fall Craft Festival will also include refreshments, a quilt display by the talented members of the Lamoille Woman's Club Sewing Group, a gift wrapping booth, and Santa Claus will be there from noon until 3:00 p.m. on Sunday. Spring Creek High School is approximately 7 miles from Elko (less than a 10-minute drive) on Lamoille Highway, Route 227. Admission is free, and the high school campus contains ample parking close to the location of the gymnasium where the Fall Craft Festival is being held. The Lamoille Woman's Club still has booth space available for arts and crafts vendors for this upcoming Fall Craft Festival in November. Interested vendors may download the vendor application for this event from the Club's website at [www.lamoillewomensclub.org](http://www.lamoillewomensclub.org) or call Martha Wallace at (775) 385-3502 to obtain more information on the Festival.

## Christmas Wish Tree

A Lift Up Org's 6th Annual Christmas Wish Tree runs November 10 – December 19. The wish tree is loaded with names of local children who without the help of the community will not receive gifts this holiday season. Each year we average 100 names of children, disabled adults, and seniors. You can make the difference. Simply choose a wish list from the tree at Mish Mash & Muddle, buy some or all of the items on the list, deliver them back by December 19, and we'll deliver them to the family before Christmas. You may also give by dropping off new gifts or gift cards without choosing a name and we will give them to an age-appropriate child or family. If you are a local agency who would like to refer clients to our wish tree, please contact Mary McGarry at 753-8455 for more information. If you would like to pick a child's name, please stop in Mish Mash & Muddle at 452 Idaho Street in Downtown Elko. A Lift Up Org is a 501(c)3 non-profit charity.
