While her life was tragically cut short during the Columbine High School shooting on April 20, 1999, Rachel Joy Scott's shining example of kindness and compassion was not defeated that day. As Minnewaska Area School students in grades 4-6 and 7-12 learn her inspiring true story during the day, adults are welcome to attend the evening community event.

Rachel's story provides a simple, yet powerful example of how small acts of respect and acceptance can start a chain reaction of kindness and compassion. Using resources from Rachel's Challenge, PreK-3rd will also learn of her vision. This full day of inspiration is a kick-off as MAS and our community implement the practices of Rachel's Challenge to positively affect the climate in our schools and communities.
