**Save \$25.00 when you register before**  
**June 7, 2020!**

**Wednesday June 17, 2020**

**10:30 am - 12:00 pm**

Join James Egan with Keefe, Campbell, Biery, and Associates and Mary Egan with Rosecrance Health Network for this informative and timely webinar that will go over the legal considerations with Cannabis in the Workplace.

### Legal Considerations:

- Illinois Marijuana Law: The Facts
- Legal cannabis as it pertains to employment and workers' compensation concerns
- Federal and Statutory considerations for commercial, recreational, & medical standards
- Employer Guidance for Drug Testing and Policy

### Recognizing Signs/Symptoms and Navigating the Conversation:

- What is a substance use disorder?
- Physical effects and warning signs of marijuana use/abuse
- Marijuana and mental health
- Recognizing the workplace warning signs
- Best practices for interactions

### Continuing Education Offered
