

**Highland Small Business Employee Appreciation Program
Sponsored by Highland Moose Lodge #2479**

Purpose: To acknowledge employees of local businesses.

Local businesses can nominate one employee (employee of the month type) and email the name with a write up of why the employee was chosen. The Lodge will choose one person that month from the write ups received. The person chosen will receive a \$100 Chamber of Commerce gift certificate. Every month a new drawing will be held.

The nominated person must be an employee and not ownership or management.

Nominations must be emailed by the last day of the month.

Winner will be announced at the 2nd Monday of the month meeting.

Photos of winners and their employers will be in the Chamber newsletter and local newspapers.
