

Put Your Money

Where Your Heart Is

Purpose: To promote shopping local, take part in our NEW Valentine's Day promotion from February 7th-14th.

How the Event Works: Shoppers who purchase items at participating businesses from February 7th-14th will receive a raffle ticket for every \$10 they spend. These tickets will be collected, and one winner will be drawn on February 15th for a \$100 Chamber Gift Certificate.

Event Sponsor (\$25):

The Chamber of Commerce will provide you with a roll of tickets and a bag for completed entries. When participants make a purchase at your business, you will give them one raffle ticket for every \$10 they spend. They will then put their name and phone number on each raffle ticket and put it in the bag provided.

If you would like to participate, email hillarie@highlandillinois.com by January 28th.
