A Day in the Life, of an Active NMB Chamber Member

On May 27th, being an NMB Chamber Member was a fun filled busy all day event! Our Luncheon was a hit at Grill Time-We conducted a ribbon cutting for Goingamers, presented plaques and had various discussions around the room. Directly following the busy luncheon, we had ANOTHER ribbon cutting for One Stop Medical Supplies! After our champagne toast, we all headed over to the Water Club for the VIP Chamber ribbon cutting/VIP dinner event. With such a packed schedule, it was evident how strong our NMB Chamber really was. Dispite our regular work schedule, members showed support and were in it for the long haul! Thats a STRONG Chamber! NMB we are proud!
