

With the flu season upon us, we are starting to see cases of the flu show up in our community. We at Sam's Club wanted to reach out to let you and the local community know that our pharmacist can administer flu shots to anyone that is 18 years of age or older. It is very important that the community protect themselves from getting the flu and Sam's Club wants to help ensure they do so. No appointment is necessary. Please contact our Pharmacy (636.728.0372) for details between 9:00 am-7:00 pm (Monday-Friday) or 9:00 am – 6:00 pm (Saturday) and we will take care of you.

Thanks,
Ashley Sullivan, PharmD
