

MEET These Dogs

CITY OF
OTTAWA

The City of Ottawa will be hosting an event at the Ottawa Memorial Auditorium for National Bring Your Dog to Work Day. There will be a meet and greet with McGruff the Crime Dog (Ottawa Police Department) and Max the bearded dragon (Ottawa Fire Department). Prairie Paws Animal Shelter will be bringing 2-3 adoptable dogs for the community to meet at the OMA. We are encouraging businesses across the City to participate by either posting on social media (using #OttawaKSDogs) about their dogs or having a meet & greet with the owner's dogs.
