Welcome to Whitehouse, Ohio

Whitehouse is located 15 miles southwest of Toledo and has an estimated population of 4,000 residents. The majority of the land use in the Village is residential with a small but growing concentration of commercial and industrial uses.

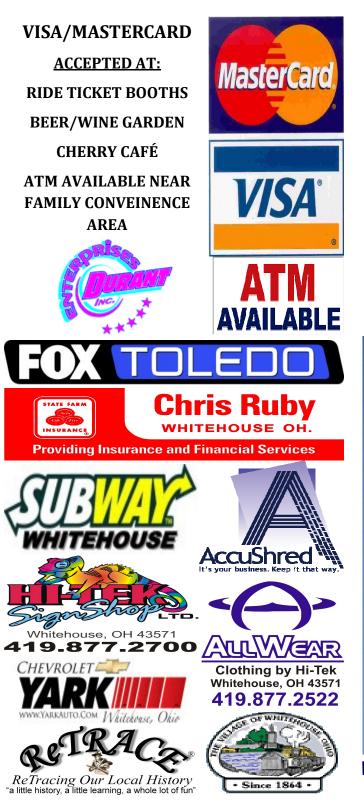

Along with an excellent school system, Whitehouse has an abundant supply of recreational activities for its residents and the thousands of visitors who travel here. We offer top-notch soccer and baseball fields, miles of hiking and biking trails, and many rare birds and wildlife can be viewed in the area Metroparks.

In 1931, the Famous Pretty Boy Floyd and his gang robbed the Whitehouse Bank of \$2,500.00, which was among eight Midwestern banks in a two month period. Harry Sheplar, who was then working in the meat market, came out with a rifle and fired at and hit the car as it headed west, but the robbers got away.

The 200+ member Whitehouse Chamber of Commerce is proud to present the 28th Annual Whitehouse Cherry Fest, Ohio's Cherry Festival! The Chamber is an active member of the community and our Downtown Community Partnership Committee plans and executes the following events: Cherry Fest, Community Garage Sales, Business Expo, Holiday Lights Contest, Pumpkin Candy Trail, Village Tree lighting, Holiday Lights Contest, and coming soon in the Fall of 2010, the First Annual Whitehouse Fall Festival in October. This committee is made up of business owners, residents, and elected officials that share the same beliefs and motivation for our great community and are working on developing and launching additional events that the residents and businesses will be able to enjoy and benefit from. We hope you enjoy our show!

Promoting Community Involvement For A Better Place To Live, Work, & Play.
