## Come join our Shawnee Health staff in celebrating 50 years of serving the community!

Beginning at 11AM we will be hosting an open house event at our Marion campus. Enjoy live DJ, food truck, games for the kids, and giveaways over the lunch hours. We're giving tours of our Marion health center and sharing what we have to offer the Marion community.

### Dental Hygiene Blitz - July 19th from 7:30am - 5:00pm

Our Shawnee Health dental clinic will be hosting a Dental Hygiene Blitz for school-age children that will also be on our Marion Campus. We will be offering \$40 dental exams. Children do not have to be patients of Shawnee Health in order to receive the exam and parents are welcome to accompany them. Join us for this great offer and a day of fun! This event will be a part of our 50 Years Community Open House!

Call **(618) 519-9200** to schedule an appointment for the Dental Hygiene Blitz.
