

Learn CPR. Save a Life.

Date: Thursday, 12/17/24

Deadline to sign up is 12/11/24.

Time: 9:00 – 11:00 a.m.

Location: EMS Station, 982 N Townline Road, LaGrange, IN 46761

Registration: www.parkview.com/CPR *Heartsaver format taught*

Cardiopulmonary resuscitation (CPR) is an emergency procedure that is performed when an individual's heart stops beating. CPR in this situation can save a life.

You can learn CPR in only two hours and become certified by the American Heart Association (AHA) to perform this procedure. You will be prepared to make a difference during a cardiac arrest whether at home with family or friends, or in the workplace or any community location.

Individuals who successfully complete the training will receive an AHA CPR card electronically. Individuals must be at least 13 years old to participate. Class size is limited.

The cost is \$20. Pre-registration and payment are required prior to class. Registration will close two days before class date.
