We are excited to announce a special Business Over Breakfast event with our business partner: the Ameren Illinois Energy Efficiency Program! Attend this **FREE** event to learn how you can make your small business or community more energy-efficient through incentives available through the Ameren Illinois Energy Efficiency Program. **Breakfast will be provided.**

Benefits of attending this Business Over Breakfast include:

- » Learn how to manage energy use and reduce overhead costs
- » Discover how to schedule a FREE Energy Assessment to identify energy-saving projects
- » Take advantage of a variety of bonuses and incentives to reduce the cost of energy-efficient upgrades
- » Receive a FREE smart thermostat coupon for your business
- » Talk to Program Representatives to answer your questions

Energy efficiency is more important than ever! Don't miss this Business Over Breakfast event to discover ways to save. If you have any questions, please contact Phil Lopez at **1.309.573.6200** or **plopez2@ameren.com** or Carol Kulek at **1.217.741.2489** or **ckulek@ameren.com**.
