you're invited to
**The Community Health Clinic's
Research Education Event**

Details:

This is a free educational program to familiarize you with The Community Health Clinic's research activities. This education event will be led by Dr. Z, who will discuss the benefits of research for children and adults with special healthcare needs. By helping vulnerable people through research, we strengthen and support the community as a whole. There will be refreshments and time to speak with our staff, who will be ready to answer any questions you may have.

Date: Tuesday, June 25th, 2024
