Dr. Sean K. Carlson,

*Dear Marin Families and Friends,*

*Welcome to the Milo Dog Adoption Event at Simple Orthodontics! Join us at the office of Dr. Sean K. Carlson, DMD, MS for a fun-filled day of furry friends looking for their forever homes. Come meet adorable dogs and cats ready to be part of your family. Whether you're looking to adopt or just want to show some love to these precious animals, this event is perfect for all animal lovers. Don't miss out on this wonderful opportunity to make a difference in the lives of these lovable pets. See you there!*

*At Simple Orthodontics, supporting our community is one of our core values, and we're thrilled to continue this commitment with our second pet adoption event! This time, we're excited to host it at Simple Orthodontics, located at 265 Magnolia Ave in Larkspur, and we can't wait to welcome you.*

*The event will take place in the parking lot right in front of our clinic, where we'll be partnering once again with The Milo Foundation to help find forever homes for rescue pets. In addition to the adoption event, Simple Orthodontics will be hosting an Open House, offering complimentary information about orthodontics for all kids and family members. If you've ever thought about improving your smile, here's your chance to learn more! It's a wonderful opportunity to meet our team, get a sneak peek of our state-of-the-art facility, and have your child's orthodontic health evaluated—completely free of charge.*

*We are passionate about giving back to our community and making a difference, and this event is the perfect opportunity to do just that—whether you're looking to adopt a pet or learn more about orthodontic care for your family.*

*We look forward to seeing you there—bring your family, friends, and pets, and let's come together to support our community and find forever homes for these loving animals.*

*Warmest Regards,*
