Oregon History: 450 Years in 45 Minutes

Tillamook County Pioneer Museum

Tillamook, OR 97141

Join Oregon Black Pioneers & the Museum on Thursday, July 11th at 4pm to delve into Oregon's unique & centuries-old Black history by highlighting key individuals and events!

People of African descent have lived and worked in Oregon since before the founding of the earliest English-speaking settlements. Despite this, the state's popular narrative excludes the historic experiences of African Americans before the mid-20th century. This erasure is the result of legal and social marginalization that contributes to the ignorance of Oregon's Black heritage, as well as influences contemporary disparities in day-to-day life.

Rockaway Beach Emergency Preparedness

Rockaway Beach City Hall

276 S Hwy 101

Rockaway Beach, OR 97136

06:00 PM - 07:00 PM PST

We have all witnessed the serenity interrupted by violent storms, high winds, flooding, slides, fallen trees and power lines.

Not to mention a Tornado or the unimaginable Tsunami.

In many of these events, resources assisting will be very limited.

Power can be cut off for hours, days, and perhaps weeks.

We cannot control the elements, but we can control our preparation and our response.

We can prepare ourselves to assist our family first and then be an aid to neighbors in need of support

We meet on the 1st Wednesday of each month at 6 pm. Meeting place: City Hall. All are welcome.
