Become an Angel This Holiday Season

Make a child's holiday brighter by granting a gift wish. Visit the Ladue or Town & Country Midland States Bank branches between November 12 and November 30 and choose a tag from the Angel Tree. Each tag includes a child's age, gender, and three suggested gift ideas. You can fulfill one wish—or all three!

Once you've selected your tag, simply purchase the gifts and return them, along with the tag, to the Midland States Bank branch where you picked it up by Monday, December 2. Gifts will be accepted through December 6.

Thank you for spreading holiday cheer to children in need!

December 7, 2024
