**Register for Event**

While cyber crime might seem like an elusive term that brings to mind a guy in a hoodie in front of a lit screen, it often looks more like a text or email with a link.

October is Cyber Crime Awareness Month.

Join Better Business Bureau Serving New Mexico and Southwest Colorado and Steady Networks, an accredited business, for Securing the Keys to the Castle - Cyber Crime Awareness for Businesses, at 10:30 AM on Thursday, October 21.
