

A Special Invitation to Business Owners!

STRESS-RESILIENCY MASTERMINDSM

Facilitated by EXPERT EFFECT®

*A Unique Opportunity for Small Businesses Owners
to Overcome the Intense Stress of Recovering from the Eaton Wildfire*

Build Back Dena is excited to partner up with EXPERT EFFECT to provide this complimentary mastermind experience for small business owners affected by the Eaton Wildfire.

Facilitated by Clark Souers (CEO + Founder of EXPERT EFFECT, Associate Certified Coach, Stress-Resiliency Expert), we will foster dialogue that provides you with the space to tap his expertise in the area of stress-resiliency, gain insight from fellow business owners on the subject, and develop customized game plans for making your bodies and minds more resilient to stress to accelerate your business recovery efforts.

RSVP as soon as possible as this mastermind is limited to 15 individuals who will add value and fully embrace the experience.
