

MERRY CHRISTMAS EVERYONE

I know what you are thinking, isn't it a little early for Merry Christmas... NO WAY, not after the way last year's parade turned out. It was another year for our night time parade and it was awesome!!

So Santa didn't even blink when I asked him to do it again this year... You heard me right, this year 's parade will be at night again...It's **Santa's Electrical Night Parade**. I know, I can't wait either. This year will be even better with more lights and more kids and even more kids. People have already started calling me to make sure it's at night because they want to get an early jump on their ideas, Did I mention that it would have more lights and more kids??!!

You may begin lining up at 3:00pm, and the parade will begin promptly at 4:30pm. The judges will be previewing the entries before the parade starts, but the actual judging will be done during the parade.

Please make sure you fill out the title of your entry and a description/message, so the announcer can give you proper recognition as you pass the stands. Don't forget to make sure your entry number is well lit so that the judges won't miss it. You may use as many lights as you can to light up your entry, but PLEASE no open flames, torches, or candles on the entries. If you are using a generator on your entry, please take precautions against fires, etc. Just a quick reminder that Santa and Mrs. Claus are our special guests, so we request that no other live Santa's be in the parade.

The parade award winners will be mailed their awards on the Monday following the parade. If you have any questions, please call the Chamber at (702) 293-2034 or myself, Mike Pacini at (702) 293-5615.

Hope you can all come out to play on this magical night. Well gotta go and start untangling my lights. See you there!!

Boulder City Chamber of Commerce presents
