

You are invited to the Colusa County Garden Club's:

KIDS GROWING STRONG COMMUNITY GARDEN RIBBON CUTTING CEREMONY

The Kids Growing Strong Expanded Program will include a new garden for the kids to “get their hands dirty” as they plant some tasty and nutritious vegetables while they learn about gardening and nutrition. The public is invited to come join us to celebrate this incredible event and to thank the many Community Members who have donated their goods to make this garden happen. Any questions please call Jan Brannon 916-224-9362.
