I am approved for Farmers' Market Nutrition Program (FMNP): YES/NO

Drive-in Space: YES/NO

I am aware that it is my responsibility to obtain all permits & licenses required for the sale of food items by the state & local health authorities. It is also my responsibility to obtain a temporary sales tax permit for the sale of my non-food items if applicable.

There is a seasonal fee for market participation: Chamber Members \$20 and Non Members \$25. All vendors, regardless of when they join the market, are required to pay this fee.

While you are not required to attend every Downtown market, we've learned that it is important to be consistent to build up your customer base & that of the market as a whole!

I have read and am aware of the market rules set forth by the Market Committee and agree to abide by them.

I further agree not to hold "The Downtown Market" or "Estherville Area Chamber of Commerce" responsible for any loss or damage to person or property that might occur during or as a result of the market.
