

LANDSCAPE & WILDLIFE PHOTOGRAPHY

Thursdays, June 4-18 • 6-8pm
Spirit Lake Campus Room #129
\$44/person • Course #62555

This class will cover equipment choices, cameras and lenses, and composition. Participants will be using the tripod, film speed and quality settings to get the best results. Weather permitting, participants will go outdoors and create images for review. This class will also cover post processing the images so they look great. *Bring your camera, laptop recommended.*

BLACK & WHITE FILM PHOTOGRAPHY

Tuesdays, July 21 - Aug. 11 • 6-8pm
Estherville Campus Room 102 & 109
\$64/person • Course #62558

Explore the world of black and white film photography. You will use black and white film, process it and make your own prints in the darkroom. This is a hands on class, and you will be provided with everything you need. Go back in time and learn how it was done before the digital revolution!

SPORTS & ACTION PHOTOGRAPHY

Tuesday, Aug. 18 • 6-8pm
Spirit Lake Campus Room 129
\$20/person • Course #62556

We will cover equipment and techniques to get the most out of the equipment you have, and give suggestions on gear that will help you get better images. You will also learn about post processing your images to get the most out of them. *Bring your camera.*

INTRO TO PHOTOSHOP & LIGHTROOM

Thursdays, July 2-23 • 6-8pm
Estherville Campus Room 109
\$64/person • Course #62551

Learn the basics of using Photoshop and Lightroom to edit your digital images. We will cover how to use these tools to get the most out of your images. You will also learn about layers and actions and how to add text to images, and how to prepare images for printing. *Feel free to bring some of your images to work on.*
