## ADD ONE / REVIVAL RECEPTION MEDIA ALERT

and accessible. I want to see a wellness revival in Fenton and beyond,” Dr. Carpenter explained regarding offering the hugely discounted special. “Once people experience what real health feels like, it’s easy to make it a way of life.”

Attendees will be able to explore Revival’s services such as medical weight loss, neuropathy treatments, back and knee care, redlight therapy, IV nutrition therapy, and regenerative medicine. Attendees will also receive a complimentary gift bag featuring amazing swag and offers for free and discounted services for other area businesses.

The Revival Reception is open to the public and free to attend. Registration for the event is not required, but encouraged by visiting: <http://rb.gy/fozchp>

Revival Health and Wellness has been helping St. Louis area patients experience life-changing health since opening 5 years ago. Dedicated to providing exceptional care, the entire staff is focused on restoring life, happiness, and health to individuals and families. Their mission is to educate and build healthy communities for generations to come through neurologically based, scientific, and specific care. Led by Chesterfield native, Dr. Will Carpenter, DC, MS, ICCSP, BCN, patients will visibly experience his passion for human performance and lasting wellness. His background in nutrition and exercise physiology, along with extensive experience in integrated pain management and neurologically based chiropractic care allow him unique successes in treating diverse cases.
