14th hole at beautiful SouthShore Country Club

## OUR MISSION

The Foundation was formed on January 2, 1995 by former Marines and law enforcement personnel who strongly believe that our nations most precious resource is its youth. Therefore, we encourage the spiritual, moral, intellectual and physical development of children through education.

Through the continuous support of our members, we have distributed over \$70 million in aid to children. This assistance was rendered for children of Marines or law enforcement Personnel who were killed on duty or died under extraordinary circumstances while serving our country at home or abroad. Mentally or physically disabled children of a Marine family may receive financial aid for medical equipment or tutoring that is not covered by their family insurance.

Due to the commitment and dedication of our members and volunteers, 98 percent of all donations are applied to scholarships and/or special medical equipment which a child's family would not otherwise be able to afford. This assistance has had a positive, life changing effect on many children.

The Marine Corps - Law Enforcement Foundation is also registered to participate in the United Way and Combine Federal Campaigns (CFC).

We are a 501(c)(3) charity and our tax number is 22-335-7410.
