# SUMMER WEBINARS

All virtual events are scheduled 12:30-1:30p

# Child Care Landscape in Nevada

Explore how child care accessibility and affordability in Nevada impact your current and potential workforce.

#### The Economic Impact of Child Care on Business

Examine the lack of child care effects on productivity, recruiting, your bottom line and the overall Nevada economy.

### Modern Child Care: A Broken Business Model

Answering the big questions. Why is there a lack of child care? Why is it so expensive? Why do the normal laws of supply and demand fail in this industry?

#### **Workforce Solutions**

In this final session, we will connect the "why" to the "how". Join us as we discuss innovative strategies employers can take to support family-friendly practices and Nevada's child care system.
