HSHS St. Joseph's Hospital Announces Pre-Registration Dates for Fall Health Fair

(Highland, IL) – HSHS St. Joseph's Hospital Highland will host their fall health fair Friday, October 19, from 5:30 to 11:30 a.m. at Highland Hope Church, located at 12846 Daiber Road, Highland, IL. Pre-registration for an appointment will only take place in person, in the main lobby of the Hospital and on the dates listed below. Walk-in appointments are only available from 10:30 to 11:30 a.m. for those who do not pre-register.

Pre-registration Dates & Times

Monday Sept 3 – 8 a.m. to 10 a.m.	Thursday Sept 20 – 12 p.m. to 2 p.m.
Thursday Sept 6 – 12 p.m. to 2 p.m.	Wednesday Sept 26 – 4 p.m. to 6 p.m.
Wednesday Sept 12 – 4 p.m. to 6 p.m.	Thursday Oct 4 – 8 a.m. to 10am
Monday Sept 17 – 8 a.m. to 10 a.m.	

The fall health fair is a self-pay service. Payment is due at the time of pre-registration by cash, check or credit card. St. Joseph's Hospital will not bill your insurance plan for any services rendered. You may submit your health fair receipt to your insurance plan, but St. Joseph's Hospital will not be able to provide an insurance claim.

To ensure health fair attendees receive test results in a timely manner, St. Joseph's Hospital will mail all test results to participants in approximately 3-4 weeks following the health fair; no test results will be mailed or faxed to a participant's health care provider.

Free tests and screenings include blood pressure, dental health, BMI and vision. In addition, participants can elect to receive the following screenings at the listed prices:

- MORE -

Comprehensive Blood Screenings (\$45)

This screening includes complete blood chemistry; cholesterol and lipids, cardiac risk profile, anemia test, complete blood count, kidney and liver function, thyroid.

10-hour fast required

Prostatic Specific Antigen (PSA) Screenings (\$15)

This screening is for men only. A doctor uses these results along with an exam to screen for prostate cancer. The American Cancer Society recommends that men should receive the PSA annually, beginning at age 50 or begin at age 45 if considered "high risk." This includes African-Americans and men who have a close relative who had prostate cancer before age 65, or close relative with prostate cancer at an early age, then testing can begin at age 40.

Hemoglobin A1C (\$10)

This test measures the average blood glucose of diabetics during a 2-3 month period. This test is recommended for those with or at-risk for diabetes.

Vitamin D Screening (\$15)

Helps in the detection of Vitamin D deficiency - needed for calcium absorption and strong bones.

Peak Flow (\$10) - Measures lung function.

Bone Density Screening (\$5) – Heel scan for Osteoporosis, or thinning bones. Risk factors for Osteoporosis include aging, being female, menopause, smoking, low body weight, and some medications.

Fecal Immunochemical Test (FIT) Kit (\$15) – Take home kit to check for blood in the stool. Annual screening tool used to detect precursors for Colorectal Cancer.

Screenings with a **10-hour fast** as previously identified require plenty of water only; no gum, hard candy, sugar, or sweeteners.

The St. Joseph's Hospital fall health fair is sponsored in part by the HSHS St. Joseph's Foundation PrimeHealth sponsors: blockplannedesigns, Donovan Rose Nester, P.C., Edward Jones - Matt Armentrout, FCB Banks, First Mid Bank & Trust, Highland Machine, Hill Vision Services, Highland Rural King, Meridith Funeral Home, Oberbeck Grain Company, Plaza Dental Care, Scott Credit Union, SIUA/Rogier Insurance Agency, Terra Properties, TheBANK of Edwardsville, Poppy's Inc. dba Widmer Floral and The Korte Company.
