

Dear Walmart Customer,

With the Holiday season approaching, what better gift to give to your employees than a turkey or ham? At your local Walmart Supercenter or Neighborhood Market, we can fulfill those turkey and ham orders for you.

Our goal is to make it easier on you and to prevent the hassle of transporting and storing turkeys or hams. So, we have an alternative option. You can now purchase a turkey/ham gift card by selecting whatever dollar amount you choose and simply handing them out to your recipients.

Your recipient will have the option of purchasing a fresh or frozen turkey or bone-in or boneless ham and using the remaining balance on produce for their holiday dinner with this gift card.

How do you order these gift cards? It's easy:

1. Go to Walmart.com/turkeygiftcards
2. Select the quantity and value of cards.
3. Click "Add to cart," and purchase.
4. Receive your gift cards by mail.

Once you receive the gift cards in the mail, hand them out just like you would a turkey or ham. Your recipient can shop at their local Walmart Supercenter or Neighborhood Market at their convenience and select the centerpiece for their holiday meal.

Please see a Meat associate for more details.

Thank you for being a Walmart Customer!

Sincerely,

Adam Walker
