Presenting this month:

John Arbuckle From Singing Prairie Farms and Roam Sticks

How did a 9th generation pig farmer come up with the idea to manufacture America's first non-GMO, pasture-raised pork snack stick? John Arbuckle, the Founding Farmer of Roam Sticks, will share his experiences of starting his own business, and describe how it has grown since its inception in 2015. We'll also hear about what lies ahead for Singing Prairie Farms and how it taps into the movement towards sustainable family farming.
