LARC 2026 OPEN HOUSE & MEMBERSHIP MEETING

with Special Presentation:
How Client Employment Effects State Benefits

**Guest Speaker
Suzanne Aaron**

Senior Information &
Outreach Specialist -
Illinois Life Span

Suzanne has worked and volunteered in the areas of disability advocacy and family support since 2008. She and her husband are the proud parents of a young adult with I/DD and Autism. Her passion is helping families access and understand services that are available to them so they are empowered to build an included and meaningful life with their loved one with disabilities. She is a 2018 graduate of Illinois Partners in Policymaking and has navigated disability services in the states of Illinois, Ohio and Indiana.
