ABOUT US

It is with great pleasure that we extend to you a cordial invitation to participate in the **25th Global Summit on Nursing Education and Practice (GSNEP 2026)** to be held **October 19–20, 2026 in Los Angeles, USA** with virtual participation available for our global community.

This prestigious summit will convene distinguished nursing professionals, educators, researchers, policymakers and healthcare leaders from around the world to engage in scholarly exchange and collaboration. Under the theme, ***“Bridging Education and Practice: Advancing Excellence in Nursing”***, the event will focus on innovative strategies, evidence-based practices and educational advancements that strengthen the connection between academic preparation and clinical excellence.

The **GSNEP 2026** aims to serve as a global platform for dialogue, discovery and development - empowering participants to share insights, foster interdisciplinary collaboration and contribute to the evolution of nursing education and practice. Through keynote presentations, interactive sessions and networking opportunities, the summit will inspire collective progress toward advancing the quality and impact of nursing worldwide.

We warmly invite you to join us in **Los Angeles or virtually from any part of the world** and to be part of this significant international event dedicated to shaping the future of nursing education, practice and research.

We look forward to your valuable participation at **GSNEP 2026**.

TESTIMONIALS FROM PAST SPEAKERS

“

"This is my first participation online, and it was a great, inspired experience and motivated. The organizers did an excellent job and the speakers were very open to share their knowledge and expertise, the topics reflecting the challenges that healthcare professionals faced in these difficult times.

Thank you for this great conference".

Dr. Hiriscau Elisabeta Ioana
University of Medicine and Pharmacy "Iuliu Hatieganu" Cluj-Napoca, Romania

“

"It was wonderful and the team was more helpful appreciate your efforts many thanks for all. Thank you so much for allowing me to be a part of such a wonderful event! Being able to share current information across the globe was an incredibly valuable experience. I look forward to participating and attending more of your conferences in the future!"

Prof/Dr Zeinab M. Aysha
University of Buraim, Oman

“

"It was my pleasure also to be part of this conference, and I appreciated all the offers I had through these days, and I am happy I could be assisting as moderator in addition to my presentation."

Ms. Edi Kachal
University of Szeged, Hungary

“

"Thank u for the opportunity for me to present my paper at your conference and meet such wonderful people from around da world"

Dr. Laxmi Devi,
Social Services Department
Govt. Of Sharjah, UAE

“

"This conference brought together important researchers with topical and very interesting presentations. Firstly, presentations addressed a series of topics of global interest regarding studies about different food products (e.g. cow's milk, wheat bread, etc.), enzymes, fertilizers and current global issues (e.g. food alternatives, food security, etc.). Secondly, the conference organization was at a high level. The support from conference organizers was permanently"

Dr. Dimitrie Stoica
Dunarea De Jos University of Galati, Romania

“

"Thank you for your kind message. It was truly a pleasure to participate in World Congress on Nanotechnology & Nanoscience. The conference was excellently organized and ran smoothly throughout the day. The selection of speakers and the insightful topics made it a very enriching experience."

Prof. Paulo De Morais
University of Brasilia, Brazil

“

"It is my pleasure to write testimonial for the event organised by inovine conferences, the event was well planned and executed. The selection of speakers was meticulously planned and executed. All most all the speakers were delivered wonderful briefings about their area of expertise. I have enjoyed the event. Thank you for opportunity and support. Thanking you inovine once again."

Dr. Muraleedhar S. Aski
Senior scientist , ICAR-IARI New Delhi. INDIA

“

"It was nice taking part and making my presentation. Hope to be among you soon. When will be the next event?"

Dr. Abdelaziz Ghanemi
Laval University, Canada

“

"Thank you very much for giving the opportunity of participating in this remarkable conference and congratulations to the conference organizers for the success of the meeting and to all experts that shared their research experience in this conference."

Dr. José Luís Miranda Dias
National Laboratory of Civil Engineering, Portugal

“

"Thank you very much for inviting me to participate in such a prestigious event. I truly appreciate the warm hospitality and kind attention you extended to me.

It has been an enriching experience to share our work and contribute to the scientific advancement of nanotechnology on a global scale."

Ms. Anyoli Taly
Grupo Leti, Venezuela

“

"I loved the conference, it was very well organized."

Mrs. Francieli Rufino de Almeida Lima
University of São Paulo, Brazil

“

"I would like to thank you for the opportunity to present my work at this event so im-portant for a rehabilitation area"

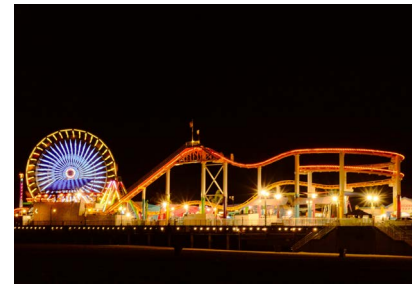

Dr. Jose Carlos Bomfim Lima
Nove de Julho University, Brazil

ABOUT LOS ANGELES, USA

Situated on the scenic coast of Southern California, **Los Angeles** is a world-class metropolis renowned for its cultural diversity, innovation and global influence. As the second-largest city in the United States, it stands as a center of excellence in education, research, healthcare and the arts.

Los Angeles is a city of contrasts and creativity - where modern urban sophistication meets natural beauty. Visitors can experience an array of attractions, from the iconic **Hollywood Walk of Fame** and **Griffith Observatory** to the serene beaches of **Santa Monica** and **Malibu**. The city also boasts a thriving culinary scene, premier museums such as The **Getty Center** and **Los Angeles County Museum of Art (LACMA)** and a vibrant performing arts community.

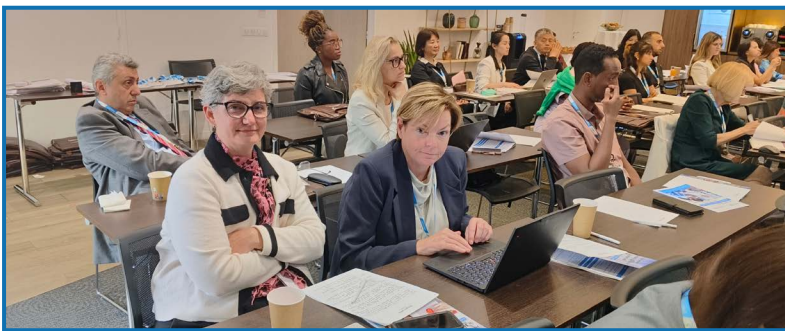

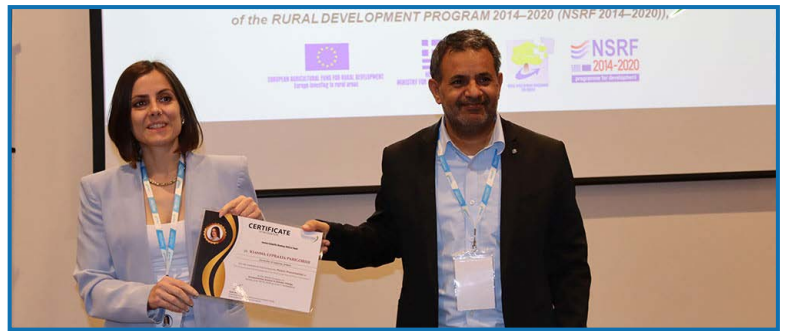

With its mild Mediterranean climate, diverse neighborhoods and welcoming atmosphere, Los Angeles offers an enriching environment for both professional engagement and leisure. Whether exploring its cultural landmarks, scenic coastlines or dynamic urban spaces, visitors are sure to be inspired by the city's energy, innovation and spirit of opportunity.
