## The Philadelphia Eleven

*In an act akin to civil disobedience, a group of women and their supporters organize their ordination to become Episcopal priests in 1974. The Church of the Advocate in Philadelphia welcomes them, but change is no small task.*

*The women are harassed, threatened and banned from stepping on church property.*

*In this feature-length documentary film, we meet the women who challenge the very essence of patriarchy within Christendom and succeed in building a movement that transforms an age-old institution.*

We invite you to remain after the screening for discussion with  
The Rev. Rachel Thomas, The Rev. Dr. Linda Spiers,  
and St. Andrew's The Rev. Shariya Molegoda.
