

# MASTERMIND GROUP

8 Week Course Begins April 1

## Opportunity

Join a group of like-minded, forward-focused professionals, working towards the common goals of personally growing, reaching our potential, and raising the bar on leadership!

Experience the incredible energy that participants bring to this facilitated group setting. Masterminds can be an extremely powerful tool to take your thinking and actions (and therefore results) to the next level! Mastermind Groups offer a unique opportunity to learn from others' perspectives and experiences; and safely share your individual challenges and opportunities.

## Topic

Want to provide more effective support to your employees and co-workers but unsure about coaching? This Mastermind Group will use "The Coaching Habit" by Michael Bungay Stanier to discover and apply the technique of coaching. Stanier uses seven essential coaching questions to demonstrate how -- by saying less and asking more -- you can develop coaching methods that produce great results.

## Enrollment

This group is limited to the first 15 enrollments. The enrollment fee of \$175 per person (\$150 special for Chamber of Commerce members) includes a book and is due before April 1. Lunch and drinks provided complimentary of Heartland Regional Medical Center.

Contact Russell Williams at 618-694-6586 or [rwleadership@gmail.com](mailto:rwleadership@gmail.com) to secure a seat or for more information.
