### ***Productivity on FIRE.***

A survey of 1700 millionaires revealed a secret.

What would you do with 4x or 7x increase in your productivity? What if it were really possible? If everyone has the same hours in a day, how is it some people seem to achieve so much more than others? More financial reward? More free time? Less stress? More vacation? Revive your energy. There is secret! We'll explore it together.
