## About the Chamber

The Marshall Area Chamber of Commerce is a non-profit organization that is committed to helping promote your business and to help our community grow and prosper. The board of directors are volunteers who are investing time and money into the community, working together to improve the economic, civic and cultural well - being of the area. Businesses, individuals and organizations are all eligible to belong to the chamber of commerce.

Dues are structured so even the smallest business can be a member.

The Chamber of Commerce unifies the public spirit of the community and directs it into useful and constructive channels. The Chamber of Commerce can not carry out its broad program of work to protect and advance business without your personal service and financial support.
