## **Brevard Schools Foundation Seeks Sponsors for the 8<sup>th</sup> Annual Applauding Brevard's Champions (ABC) Awards Premier Sponsor is Community Credit Union**

**Viera, FL** -- Brevard Schools Foundation is seeking sponsors for the upcoming 8<sup>th</sup> annual ABC Awards to be held on January 23, 2019. Each year, Brevard Schools Foundation Applauds Brevard's Champions at the biggest educational event of the year – The ABC Awards. In red carpet fashion, the Foundation, in partnership with Brevard Public Schools, showcases the outstanding contributions of those who help strengthen the quality of public education in Brevard County including Teacher of the Year, Employee of the Year, Volunteers of the Year, Business Partners of Distinction, and Administrators of the Year. Honorees from each school and other guests are treated to a reception featuring “A Taste of Brevard Public Schools’ Culinary Arts Programs with live entertainment at the reception and on the mainstage of the King Center. Sponsorships support these special recognitions and provide a way to say thank you to those in service to our children. Community Credit Union has supported the event as the top sponsor from the beginning. Many other sponsorships are available.

“The ABC Awards is such an honor to host and allows us to come together with our community and show our appreciation for the many people who make lasting impacts in the lives of students each day” said Janice Kershaw, President and CEO of Brevard Schools Foundation.

This year’s event theme will tie into the 50<sup>th</sup> year anniversary of the Apollo lunar landing along with some special surprises courtesy of the Kennedy Space Center Visitor Complex. Space Coast Daily will once again be live-streaming this event as well as conducting red carpet interviews. Sponsorship information is available online at [www.brevardschoolsfoundation.org](http://www.brevardschoolsfoundation.org).

**Commented [KF1]:** Check KSC website about this. I think they are billing it as man’s first steps on the moon, or something like that.
