

Special Presentation: Historic Properties Survey, Jan. 16

During the January 16 Historic and Architectural Review Board Meeting the final results of the Historic Property Survey will be presented. The presentation will include findings from the survey of more than 309 historic properties in Downtown Melbourne. The survey data will be available to the public through an interactive map, which will be demonstrated at the meeting. This is the first time historic properties have been surveyed in Downtown Melbourne in 27 years. The City received a grant from the State of Florida, Division of Historical Resources, to survey buildings in the downtown area for inclusion in the State's inventory of historic resources (Florida Master Site File). The meeting begins at 6 p.m. in the City Hall Council Chamber, 900 E. Strawbridge Ave., Melbourne. For more information, contact Sandy Ramseth: sandy.ramseth@mlbfl.org or 321-608-7500
