Dale Sorensen Real Estate agent Eva McMillan closes \$2 million listing

INDIALANTIC FL/ AUGUST 2018 –Dale Sorensen Real Estate (DSRE) is pleased to announce that multi-million-dollar Top-Producing sales agent Eva McMillan recently completed the closing on a listing in which she represented both the buyer and the seller. The beautiful oceanfront property, at 745 Beach Street in Satellite Beach, Florida, listed for \$2 million, was put on the market in February with a contract on it in April. Closing was held off while the sellers built a new home in Viera. McMillan represented her customers in that transaction as well.

DSRE the luxury boutique company and their enormous national and international marketing was the perfect combination between McMillan and Dale Sorensen Real Estate.

“It was an absolute pleasure to market, list and sell this amazing home,” McMillan said. “The buyers were made aware of the property due to DSRE's in-depth marketing of the home. There is no other real estate agency in this market that markets listings as widely as DSRE does. With their innovative print and digital advertising and their global luxury real estate affiliates, they were able to bring this home the recognition it deserved.”

The sellers chose McMillan to handle the listing of their property because of her impeccable reputation managing luxury, beachside and waterfront homes in Brevard County. McMillan is sought out as one of the top-producing luxury real estate specialists in the area, representing more than \$50 million in sales in the last 3 years. McMillan is fluent in 6 languages including Czech, Hungarian, Slovak, Polish, Russian, and English, earning her international popularity.

“Eva McMillan has established an international reputation as a leader in luxury real estate sales on Florida’s East Coast,” said DSRE Managing Partner Dale Sorensen, Jr. “She works extremely hard for every single listing she has, treating all of them to her unparalleled customer

service. We're very proud of Eva and I'm sure that both the buyer and the seller of this particular property are pleased with the service provided by Eva."

The 4-bedroom, 4.5 bath home was completely redesigned, reconstructed and remodeled with an award-winning kitchen, custom wood cabinetry, and high-end appliances. The first level of the home offers main living quarters while the second floor features an exquisite master suite, complete with an over-sized balcony with spectacular ocean views. Situated between the two causeways in Satellite Beach, the home is convenient to shopping, dining and healthcare facilities.
