

SATELLITE BEACH LIONS FOUNDATION

P.O. Box 372462
Satellite Beach, Florida 32937

Dear **Melbourne Regional Chamber of Commerce,**

The Satellite Beach Lions Club will host its **29th** Annual **TOURNAMENT FOR SIGHT** at the Habitat Golf Course in Valkaria on November 17, 2018. We ask your assistance with a Corporate Sponsorship, hole sponsor (\$75), team (\$260), or donation of any gift(s) you feel appropriate on behalf of your business or organization. Funds raised from the public at Lions' activities are returned 100% to the community and other projects.

Our club's proposed annual Activities' budget supports local, underprivileged sight and hearing cases; community-betterment projects like our education grants, scholarships for LEO and Home-School club members, Children's Hunger Project, and Christmas food baskets; diabetes research; Serene Harbor; Brevard Association for the Advancement of the Blind; scout activities; and Florida Lions outreach programs. The golf tournament is proposed to generate over \$10,000 towards meeting this budget.

Hole-sponsor signs will be placed on tee boxes. You will also get the personal satisfaction that you assisted the club in its goal to fight the cause of the loss of things near and dear to fellow humans: sight, hearing, diabetes, environment, youth, and help for the less fortunate.

On behalf of the Satellite Beach Lions Foundation, a 501(c)(3) organization (EIN 46-2104503), and the worthy causes aided, we thank you for your time and any assistance in our efforts to meet our programmed budget. We are indeed grateful and most humbled by your dedicated support.

Sincerely yours,

signed

Joseph Hauser
Golf Committee Chair
