

# Have a Heart for Helping?

*Avenues for Hope is for you.*

This annual online campaign has raised \$20.7 million in 14 years and helped more than 100 Idaho nonprofits combat homelessness issues. The campaign's one-of-a-kind format, with a significant portion of donations being matched dollar-for-dollar, coupled with the generous support of sponsors and donors, has propelled it to remarkable success. With your help, we can keep it going!
