

Funding Application for the Saint Charles County Mayors' Charity Ball 2019

Courtesy of the Mayors' Charity Ball Committee

To all Applicants:

The Mayors' Charity Ball Committee would like to take the opportunity to thank you for your interest in the application process for your charity. Over the past few years, the Mayors' Ball has disbursed moneys to many worthwhile charities within St. Charles County and we continue to do so with great pleasure.

As the number of applicants has steadily increased, our committee has reviewed the process and implemented some changes in our policies. This has been done to give the greatest opportunity to the most people. We have placed a time restraint on our charity applications. All charities will only be eligible every three years for possible funding. In other words, if you received money last year for your charity, you will not be eligible for the next two years for our funding.

The committee members believe capital projects are the most helpful for charities, as these one-time projects can help the most people and free up resources for the general operating budget of a charitable organization. We also believe that implementing innovative new programs are helpful if the charity sponsor can assure the committee that it will be funded continually without resources from the Mayors' Charity Ball Committee on a regular basis.

Please read the entire application before you start the application process. Should you have any questions, please contact your Mayor's office.
