

THE GREAT ISLANDS CLEAN-UP

ORCAS - SAN JUAN

LOPEZ - SHAW

Saturday, September 29, 2018

10AM TO 2PM

Help make the San Juan Islands litter free by the sea!
Participate in this county-wide greening event where volunteers will collect
litter from public beaches and roadways.

Want to help? Bags, grabbers, safety vests and latex gloves will be available at the San Juan County Public Works office on Spring Street during the week before the event, and on the other islands the day of the event. Safety signage will be in place on all islands. Pick-up of collected litter will be at various places on each island; check with your island's organizer for more information.

Please connect with your business, school, non-profit, service or neighborhood groups, family & friends and volunteer to help. Join a group that has already been formed, or organize a group of your own!

You can find out all the details on Facebook at www.facebook.com/TheGreatIslandsCleanUp, and you can contact your island's organizers directly.

On San Juan Island:

For roadside clean-up, contact Catherine Kenney (317-4509 or ckenney@islandersbank.com)

For beach clean-up, contact Jana Marks (378-2319 or jana@sanjuans.org)
