Golf Tournament Sponsorship Opportunities

Partner with Your Local NAACP. Drive Community Impact.

The Greater Huachuca Area Branch NAACP invites businesses and community partners to join us for the inaugural NAACP Golf Tournament. This fun day at the Sierra Vista Golf Center brings together golfers, families, and business leaders for a day on the course supporting an important mission.

Proceeds from the tournament help fund NAACP programs that promote education, health, youth leadership, and community empowerment right here in our region. By becoming a sponsor, you're not just supporting a golf event, you're helping strengthen opportunities for our community while connecting with fellow leaders who care about making a difference.

We hope you'll join us on the green and help make this an annual community tradition!
