**Parade Rules – Please Read Carefully:**

- 1) No throwing of any object including candy from a float or vehicle. Only walkers can hand out candy or other items. Throwing candy causes dangerous situations as children run to collect candy off the street. Drivers have difficulty seeing children dash around the vehicles. **Please protect the safety of our children and respect this regulation by handing out candy to the crowds.**
- 2) No towing of any type of vehicle.
- 3) Each float should have at least two (2) walkers.
- 4) Each parade entry should keep the flow of the parade continuous and should not stop or slow the parade down.
- 5) No special placements in the parade route will be granted. The Georgia Peanut Festival reserves the right to decide upon placement of all parade entries. Placement will be determined for the most pleasant, smooth running parade possible.
- 6) Due to time constraints we will not be able to allow any stops for performances during the parade.
- 7) No scary costumes, scary floats, or dangerous floats are allowed.
- 8) **No applications will be accepted after October 1, 2018. Applications can be mailed or hand delivered.**
