

CHILDCARE

ISSUES - PROBLEMS & IDEAS - SOLUTIONS

Join us for this breakout session (a part of the *Walworth County State of the County* event)

THURSDAY, JUNE 16, 2022 FROM 10:15 - 11:00 AM

at the Whitewater Community Engagement Center

ISSUES & PROBLEMS

1

Parents and employers are unable to arrange quality, affordable child care that meets the need for varied schedules

2

Child care providers can't find teachers, are unable to pay them more while teachers are unable to make a living and are not recognized for their contribution to early childhood development.

3

Both Gateway and UW-Whitewater have seen a decline in interest for selecting early childhood development as a career path because of low pay and lack of professional recognition.

SOLUTIONS

WCEDA and Walworth County are gearing up to work with our private sector partners to define the issues and problems and deliver ideas that can be transformed into workable solutions. **Join us on June 16 to learn more!**
