

First Christian Church
Christian Church (Disciples of Christ)

January 21, 2022

Dear Community Supporter,

We are excited to announce the **Miriam Ministry!** This new outreach has been created to distribute diapers, as well as developmental toys and books to newborns of Washington County's needy families. Diapers are a basic hygiene need. And we know that research has shown, communities which support the early physical and cognitive needs of children will lead to financially healthier families, higher literacy of children and an improved workforce and community.

How It Works

Sandersville First Christian Church will facilitate the purchase and delivery of infant-sized diapers and books and toys for infants to the Health Department each month. The Health Department will, in turn, distribute these items to the approximate 80 WIC mothers it serves each month.

How You Can Support the Miriam Ministry

You or your organization's support is vital to the success of this ministry. Your regular or one-time contribution will be used to purchase the infant diapers and developmental books. You may send your tax-deductible contribution to:

Miriam Ministry
c/o Sandersville First Christian Church
P. O. Box 45
Sandersville Georgia 31082

OR you may use PayPal: miriamministry22@gmail.com

As you can see, this ministry has been created to serve a vital need of our community. We ask that you prayerfully consider how you can help us in this very worthwhile endeavor.

Sincerely,

Robin Cook
Chair of Miriam Ministry
