

Updated Booking Info for 2021:

Nestled in historic downtown Sandersville, the Pringle Building is the perfect place to host events. As of 2021 We are following the Georgia Department of Public Health Guidelines. Currently all events held must be 50 people or less, including guests, staff, caterer, etc.

Built in 1890 and renovated in 2014, our charming second-floor event space provides 3,700 square feet. The 2,600 square-foot main ballroom features a front wall of original exposed brick and six original coal burning fireplaces. Ample parking is near the front and rear of the building. A side entrance offers a chair lift for accessibility, and new restrooms are available to accommodate your guests. The Caterer's preparation area is equipped with plenty of counter space. A freight elevator allows them to bring their items straight to the prep area.

Tables and chairs will be included with our updated 2021 rates: 8 rectangular tables, 8 round (60") tables, 4-6 bar top tables, and 50 mahogany Chiavari chairs.
