You will be participating in an event called Bite of Reality: a hands-on money management simulation that will give you a taste of real-world financial challenges in a fun, interactive setting.

- You will receive a fictional occupation, salary, spouse, child, student loan and credit card debt and medical insurance payments.
- With your new income and responsibilities, you will visit various merchants to “purchase” housing, food, transportation, clothing, day care, and other necessities

**After Completing the
Bite of Reality simulation,
We will have a debrief to
discuss your experience
and what you learned.**
